Please join us for one of the most fun and colorful nights of the year! LCA’s largest annual fundraising event features dancing, delicious food, colorful décor and the opportunity to help our organization achieve its mission of providing the entire community with access to compelling exhibitions and programs. In order to accomplish this:

- We welcome everyone to visit our galleries and view our world class art exhibitions free of charge, seven days a week.
- Our Student Learning Tours bring a diverse population of around 1,800 students annually into our center for educational tours and onsite artmaking.
- Through partnerships with area schools and youth serving agencies, we provide off-site arts outreach programming that allows us to connect with students at 15 different sites.
- We are in our 12th year of providing visual arts classes to adults with disabilities at no cost to participants.
- Scholarships are available to eliminate barriers for children and adults who wish to participate in art classes and camps. We have seen a dramatic increase in scholarship requests over the past year.

Your support of ArtBash is a vibrant investment in our community. We hope you will partner with us to bring the arts to life for thousands of children and adults of all ages.
